

## Alleace Gibbs

---

*Vice President, Communications  
Northrop Grumman Mission Systems*

Alleace Gibbs is sector vice president of Communications for Northrop Grumman's Mission Systems sector, a leading global provider of advanced solutions for defense and intelligence customers. She is responsible for developing and implementing communications strategies for the sector.

Gibbs leads strategic communications planning, division messaging and positioning, media relations, employee and internal communications, digital media, video production and creative services. She is also a member of Northrop Grumman's Communications Council.

Gibbs has held a number of lead roles in her 19 years of service with Northrop Grumman. Previously, she was vice president of Communications for Northrop Grumman's Technology Services sector. She oversaw all communications activities for Technology Services, including internal and external messaging, media relations and graphics services.

Prior to that, Gibbs served as director of Employee Communications for the former Electronic Systems sector and in other division communications roles involving trade show planning, communications campaign management and social media. Gibbs earned a bachelor's degree in business administration and marketing from Bowie State University and a master's degree in business administration from Morgan State University.

She is the executive sponsor of the Northrop Grumman Victory Over Impairment and Challenge Enterprise employee resource group, an active member of the Source for Parenting Resources, Opportunities, Understanding and Teamwork employee resource group and she participates in panels in various diversity and inclusion conferences sponsored by the company.

*Northrop Grumman solves the toughest problems in space, aeronautics, defense and cyberspace to meet the ever-evolving needs of our customers worldwide. Our 97,000 employees define possible every day using science, technology and engineering to create and deliver advanced systems, products and services.*
